SEDONA BY LYNX™

In this fast-paced, disposable world it may seem normal to replace your grill every few years. More than half of all grill purchases are to replace a worn out grill. With Sedona by Lynx™, the time has come to break this mold.

With a lifetime warranty against rust through, Sedona grills are manufactured by the Lynx Grills specialists in Southern California. Combining the latest technology with old world pride, each Sedona grill has the meticulous fit and finish and long-lasting materials that have made Lynx the favorite of outdoor kitchen enthusiasts for decades.

Expanding your living space to include your backyard is such a logical step. Everyone wants to be outdoors with nature. We spend too much of our lives indoors. So, friends and family, pull up a chair, relax, and get ready to share a great dining experience outdoors with Sedona by Lynx™.

SEDONA BY LYNX

MEET THE PROS

KENT RATHBUN
DALLAS, TX

RESTAURATEUR AND IRON CHEF WINNER

"As a chef I have been fortunate enough to work with many brands of equipment but when it comes to outdoor appliances, I find Lynx to be the Porsche of outdoor kitchen products."

DONATELLA ARPAIA
NEW YORK, NY

IRON CHEF JUDGE AND RESTAURATEUR

"My Lynx outdoor kitchen is beautiful, powerful and uses the latest technology. The grill cooks more evenly than any other grill and the made in America craftsmanship made it the only choice for me. There isn't anything I can't cook outside that I can inside. Our outdoor kitchen has become the heart of our home. It is perfect for entertaining and enjoying the beauty of the lake."

ANDRÉS DANGOND
DOWNEY, CA

LYNX EXECUTIVE CHEF AND DIRECTOR OF CULINARY DEVELOPMENT

"The thing that blows my mind every time I turn on a Lynx Grill is how insanely hot it can get in a short amount of time. Realizing how fast it responds to heat adjustments when cooling it down for slow cooking after searing, or quickly heating up for reverse searing, made me realize we can almost forget everything we know about traditional grilling. These machines are perfect."

MICHAEL SCHWARTZ
MIAMI BEACH, FL

CHEF/RESTAURATEUR

"I'm honored to be part of the Lynx Chef Panel and work with its innovative products. Grilling is one of the simplest ways to build flavor into a dish and has always played an important role in my approach to cooking."

ELIZABETH BLAU & KIM CANTEENWALLA
LAS VEGAS, NV
CHEF/RESTAURATEUR

"We are very proud to be joining the Lynx Chef Panel. Our Lynx grill is a key component to our entertaining success. We truly feel there is no competitor that can hold a candle to Lynx in terms of outdoor grilling."

KEVIN GARVIN
DALLAS, TX

EXECUTIVE CHEF, NEIMAN MARCUS RESTAURANTS

"I like to use my outdoor Lynx grill as often as I can and nothing is better than searing a nice New York steak at 500 to 600 degrees. Once both sides are seared I move the steak to a cooler part of the grill to finish cooking. It's that outside crispy char that I strive for all the time. Thanks for building the greatest grills in the world!"

PROFESSIONAL CHEF FEATURES AND BENEFITS

The innovative features, unparalleled performance and superior craftsmanship of Sedona by Lynx™ Grills are available in 24", 30", 36" and 42" configurations for built-in or freestanding applications.

18-SR STAINLESS STEEL BURNERS
Durable stainless steel tube burners positioned under briquettes ensure instant ignition with steady and even heat distribution
23,000 BTU
Lifetime Warranty

SUPERIOR FIT AND FINISH
All stainless steel construction
Continuously welded joints for quality, strength and beauty
Finished seams with finely polished edges

CONTROL KNOBS ILLUMINATED WITH BLUE LED LIGHTS
Each knob features dedicated Blue LED lighting
Knob markings can easily be viewed at night

STAINLESS STEEL GRATES
Heavy-duty electro-polished stainless steel grates

TEMPERATURE GAUGE
Indicates when your grill is ready for cooking
Large and easy to read
Temperature gauge indicates internal temperature for indirect cooking

INSULATED BULLNOSE
Safe to touch when grill is hot

INTERNAL HALOGEN GRILL SURFACE LIGHT
Effectively illuminates the entire grilling surface using a heavy-duty Pyrex® glass lens directly over the grilling surface
10 watt halogen light

SPARK IGNITION SYSTEM
Reliable spark ignition
Activated by burner control knobs
Battery back-up in event of a power failure

CERAMIC RADIANT BRIQUETTES
Specially designed high-density ceramic
Even heat across the entire grilling surface
Briquettes are clipped in place to facilitate easy reversible cleaning
Enhances foods flavor as drippings hit the briquettes and impart flavor back into the food

ROTISSERIE SYSTEM WITH REAR INFRARED BURNER
L700 42" Grills - 16,000 BTU
L600 36" Grills - 14,000 BTU
L500 30" Grills - 12,500 BTU
L400 24" Grills - 12,500 BTU
Weight capacity is 25 lbs

HOOD ASSIST KIT
Heat treated stainless steel spring system
Makes hood operation effortless and safe

AMPLE GRILLING SURFACE
24" Grills - 575 square inches (398 primary/177 secondary)
30" Grills - 733 square inches (508 primary/225 secondary)
36" Grills - 891 square inches (618 primary/273 secondary)
42" Grills - 1,049 square inches (728 primary/321 secondary)

UNIQUE PROSEAR TECHNOLOGY PROVIDES VARIABLE TEMPERATURE CONTROL

VARIABLE SEARING TECHNOLOGY THAT GOES FROM SIMMER TO SEAR SEAMLESSLY

- Unlike many grills with infrared searing burners that only offer two settings—high or off—the Lynx ProSear infrared burner is variable
- You can sear a baseball-cut filet mignon restaurant style, then throttle back to cook delicate seafood like scallops
- This is the acclaimed ProSear burner for which Lynx has been known for years
- Limited Lifetime Warranty

Shown: L2600G Deluxe Island and LFRC-G Firepit

AN ISLAND OF YOUR OWN – EXACTLY AS YOU WANT IT

Whether you’re planning a custom outdoor kitchen installation tailored to your own design, or want the simplicity of a ready-made island package, the built-in models in the Sedona by Lynx™ family are a perfect fit. Choose from a variety of grill sizes, features, and complementary components to configure a custom installation. Or opt for an easily assembled island package offering a choice of color schemes, grill sizes, side burners, and storage systems.

8 fully-featured island models available

Quality in every detail

READY-TO-FINISH ISLAND AND PACKAGES

Shown: Ready-To-Finish (RTF)

Shown: Sample Finished Island

FINALLY, AN AFFORDABLE OUTDOOR KITCHEN SOLUTION

Our Ready-To-Finish (RTF) Island comes prepared for the 30" L500 grill and door drawer combination. 36" and 42" grill configurations require a few additional cuts by the homeowner or contractor to remove additional panels for placement of grill and door drawer combination. Finish the island to match the architecture of your home.

EASE OF ASSEMBLY

The ready-to-finish island is designed for easy delivery and fast assembly. The island can be assembled within 30 minutes by two to three people.

AFFORDABILITY

Whether you're interested in just the island or in one of the full packages that Sedona by Lynx is offering, this solution will reduce the cost of building an outdoor kitchen **by up to 60%.**

UNMATCHED QUALITY

Framing made of galvanized steel and HardiBacker® board with Mold Block Technology. Each island is handcrafted and backed by a limited lifetime warranty by Lynx Grills.

| MODEL | DESCRIPTION | UMRP | MSRP |
|-------|--|----------|----------|
| RTF | Ready To Finish Island (Shown on left) | \$ 2,999 | \$ 3,299 |

- 65,000 BTU nautilus shaped burner
- T-handle valve and battery push button ignition
- Tabletop has a 4' diameter
- Includes vinyl cover

*Ships with casters for easy movement

FIREPIT CONVERTS TO REFRESHMENT BOWL

SEDONA COOKING PERFORMANCE

STAINLESS STEEL BURNERS WITH BRIQUETTES

Offered on every grill size, our most popular option is the briquettes over stainless steel burners. Why briquettes? Cooking over briquettes creates an even cooking surface ensuring that there are fewer hot or cold spots on your grill.

PROSEAR™ BURNER

Offered on every grill size, this configuration offers the versatility of the ProSear. Unlike other grills, the Sedona by Lynx™ ProSear is fully variable. That means you can sear a filet or bring down the temperature and cook bone in chicken.

ROTISSERIE COOKING

"A lot of people tend to forget about the rotisserie. To me, it's one of the coolest things on our Lynx grills. I love that I can set 2 or 3 whole chickens in there, close the hood and exactly one hour and fifteen minutes later, they are perfectly cooked—juicy inside and golden crisp outside. Same thing goes with a big prime rib roast, for example. A little garlic, rosemary, and salt. Two hours later, you have a delicious juicy roast with a beautiful char on the outside. It is also mesmerizing to watch as your food rotates and bastes itself with its own juices. Rotisserie cooking is truly an art."

- Chef Andrés Dangond, Lynx Grills Executive Chef

SEDONA ALL-BRIQUETTE

Every Sedona by Lynx™ grill is available with the gorgeous all-briquette layout. If you are a fan of cooking over flavor-enhancing ceramic briquettes, now is your chance to own a Sedona by Lynx™ grill featuring durable stainless steel burners in every cooking zone for an even heat across the entire grilling surface.

THE SEDONA ADA® COMPLIANT GRILL

Lynx is proud to introduce the first freestanding cart grill designed for individuals with disabilities. Yet another Lynx first, this ADA compliant unit is very accessible, extremely practical, and has all the amazing features of the Sedona by Lynx™ Grill. Available in 30" and 36" freestanding cart sizes, with or without rotisserie option.

Meet Michael

The ADA grill is an achievement of passion, vision, and a unique partnership that steered the development process. When the Lynx engineering team began designing the ADA grill, we knew we needed an authentic voice to guide its development. Through a mutual friend, we were introduced to Michael (out of respect for privacy, we refrain from including his last name). Michael is a C7 quadriplegic, having suffered a break in his 7th cervical spinal cord segment in a diving board accident that left him paralyzed from the chest down.

Michael was involved in shaping key features of the ADA grill; the propane tank holder, the insulated bullnose, and the grill storage system to name a few. We were happy to hear that core features of our Sedona by Lynx™ grills, such as the Lynx Hood Assist were his favorite features. Michael's contributions on improving the accessibility features of the ADA grill has been invaluable. His insight into the people and families that comprise the disabled community has had impact beyond measure.

We started out as partners. We are glad to call Michael a friend. Thank you for all your contributions Michael. We couldn't have done it without you.

*Americans with Disabilities Act of 1990

THE SEDONA ADA® COMPLIANT GRILL

ADA GRILL

32" High cooking surface
8" Toekick

LID HANDLE

Adjustable side handle for less than a 42" reach
Hood assist makes raising and lowering nearly effortless

PROPANE TANK HOLDER

Side or rear mounted propane tank is very accessible

INSULATED BULLNOSE

Safe to touch while grilling

GRILL STORAGE SYSTEM

2 easy side drawers means no reaching under the grill for tools

ADA KNOB

Specifically designed to be ADA compliant

Note: For natural gas grills, Lynx recommends using ¾" gas lines

Note: Side burners may be rotated 90 degrees. See installation manuals for details.

SEDONA BY LYNX™ LIMITED WARRANTY

I. LIMITED LIFETIME WARRANTY

The stainless steel grill body, stainless steel grill burners, cooking grates, ProSear burner and rotisserie infrared burner are warranted to be free from defects in material and workmanship when subjected to normal domestic use and maintenance for the lifetime of the original purchaser. This warranty excludes surface corrosion, scratches, and discoloration which may occur during normal use. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor. Failure to perform required maintenance will void this warranty.

II. LIMITED FIVE-YEAR WARRANTY

The following grill parts are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of five (5) years from the original date of purchase; warming racks, spit rods, briquette trays, manifolds and gas valves. This warranty is limited to the replacement of the defective parts, with the owner paying a processing fee and all other costs including labor.

III. LIMITED TWO-YEAR WARRANTY

All other grill components are warranted to be free from defects in material and workmanship, when subjected to normal domestic use and maintenance, for a period of two (2) years from the original date of purchase. This warranty is limited to the replacement of the defective parts, with the consumer paying all labor costs.

IV. LIMITED ONE-YEAR WARRANTY

For a period of one (1) year from the original date of purchase, Lynx will replace or repair parts found to be defective at no cost to the original purchaser. This includes the cost of shipping replacement parts and, where necessary, service labor at prevailing local rates by a Lynx authorized service person. Service will be provided during normal business hours and must be authorized in advance by Lynx.

V. LIMITATIONS & EXCLUSIONS

- 1) This Warranty shall apply to products purchased and located in the United States and Canada. Products must be purchased in the country where service is requested.
- 2) Warranty applies only to the original purchaser and may not be transferred.
- 3) Warranty is in lieu of all other warranties expressed or implied and all other obligations or liabilities related to the sale or use of Lynx products.
- 4) Warranty shall not apply and Lynx is not responsible for damage resulting from misuse, abuse, failure to provide reasonable and necessary required maintenance, natural disaster, animals, alteration

of or tampering with the appliance, accident, hostile environment, flare-up fires, improper installation or operation, or an installation not in accordance with the instructions contained in this manual, or the local codes.

- 5) Lynx shall not be liable for incidental, consequential, special or contingent damages resulting from its breach of this written warranty or any implied warranty.
- 6) Some states do not allow limitations on how long an implied warranty lasts, or the exclusions of or limitations on consequential damages. This warranty gives you specific legal rights and you may have other rights which vary from state to state.
- 7) No one has the authority to add to or vary Lynx's warranty, or to create for Lynx any other obligation or liability in connection with the sale or use of its products.
- 8) Limited to the replacement of defective parts with the owner paying all other costs including labor.

VI. WHAT IS NOT COVERED: LYNX SHALL NOT BE RESPONSIBLE FOR AND SHALL NOT PAY FOR THE FOLLOWING

- 1) Installation or start-up, damages or problems caused by improper installation or use.
- 2) Service by an unauthorized service provider.
- 3) Damage or repair due to service by an unauthorized service provider or use of unauthorized parts.
- 4) Warranty does not apply to products installed in any commercial or non-residential application. Examples of excluded applications include, but are not limited to day care centers, schools, bed and breakfast centers, churches, private clubs, fire stations, club houses, common areas in multi-family dwellings, restaurants, hotels, nursing homes, food service locations and institutional food service locations. *Contact Lynx for Common Area Warranty.
- 5) To correct normal adjustments or settings, due to improper installation, commissioning or local gas supply properties.
- 6) Shipping and handling costs, export duties, installation, removal, or re-installation cost (RMA excluded).
- 7) Display models are sold "as is". If you have purchased a display model, please be advised that it is sold "as is" and that it is subject to the following warranty exclusions: any exterior or cosmetic damage is nonwarrantable; any missing components will be replaced at consumers expense; major handling damage to manifold, valve and ignition system will be serviced at consumer's expense; all other warranties will remain in effect.
- 8) The cost of a service call to diagnose complaint.
- 9) Modification to Lynx product will void related warranties.

*Please refer to Accessory Care & Use for respective warranties.

HOW TO OBTAIN SERVICE FROM LYNX

Before calling for service, please make sure you have the following information:

- Model Number
- Date of Purchase
- Proof of Purchase by the original owner
- Serial Number

Serial number can be located on the rating plate, which is located either on the underside of the drip tray, on the heat shield behind the front panel.
