

AT-800SBS

HD Smart Panel HDTV & FM Antenna

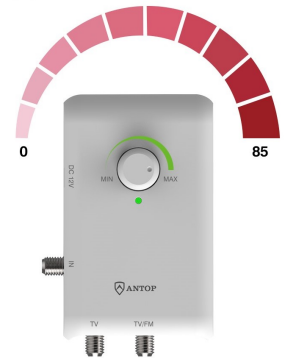

ANTOP HD Smart Panel HDTV & FM Antenna with Smart Boost System, Amplified, High Gain and Built-in 4G LTE Filter – up to 85 Mile Range – Multi-Directional Reception Pattern – 4K Ultra Hi-Def ready.

Product Features/Benefits:

- The AT-800SBS features ANTOP's **exclusive Smart Boost System** -- adjust the antenna's reception power with a simple turn of a dial!
- Use the Smart Boost System to **connect to a second device** simultaneously: FM stereo, a second TV, or any OTA-Ready streaming device or projector!
- Features an integrated FM antenna, a Multi-Directional reception pattern, and an amplified signal range of 0 to 85 miles from broadcast source.
- The built-in adjustment dial on the power booster unit allows ease and flexibility to increase or decrease the amplifier strength.
- **Unit Size:** 22 x 10 x 4.7 in
- **4G LTE Filter:** built-in filter to block unwanted 3G and 4G signals from mobile devices and wireless networks to ensure a noise-free digital TV reception.
- HDTV, 1080P TV, and 4K ULTRA HD compatible.
- Coaxial cables and FM connectors included

Adjust Reception Power,
Simply Turn The Power Booster Dial!
