

Celebrate Hello Kitty's 50th anniversary with Kidamento's limited edition Model P camera!

Perfect for kids aged 5-11 and adults, this camera instantly prints black-and-white photos using ink-free thermal technology. The prints make great keepsakes, capturing moments from a child's view. Enjoy extra fun with coloring challenges, and take vibrant photos and videos with its full digital camera features. The selfie camera makes it easy to snap and print self-portraits too.
