- Fits your iPad's screen with custom cutouts for your camera, speaker, and light sensor

ATTACHING YOUR SCREEN PROTECTOR

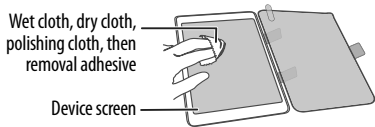

- 1 Align the screen protector with your device's screen. Make sure that the tab is facing down.

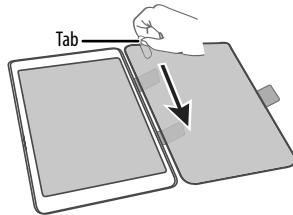

- 2** Secure the screen protector to the right side of your device with two hinge stickers, then put a third sticker on the left side.

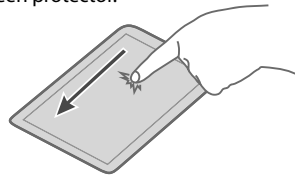

- 3** Lift up the screen protector and clean your device screen first with the wet cloth, then with the dry cloth, then with the polishing cloth (all included). Use the dust removal adhesive (included) to clean any remaining debris. Do not use any solvents.

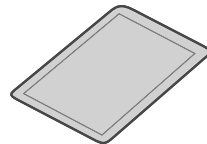

- 4** Slowly pull back the tab to remove the adhesive backing, then swing the screen protector onto the screen using the third sticker.

- 5** Press down on the screen protector from top to bottom to adhere it to the screen. If there are bubbles, press them out toward the edges of the screen protector.

- 6** Remove the hinge stickers.
