

CLUTCHETTE POWER

7mm

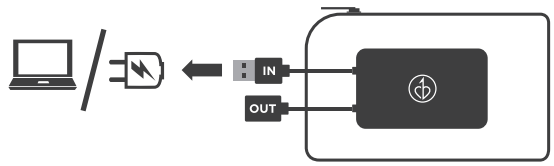

Hello Beautiful!

We believe that you are kind, you are smart, and you are important. And for that we thank you for purchasing Clutchette Power by Chic Buds!

To charge your smartphone, simply plug the charging cable that was included originally with your smartphone into the cable labeled "out":

To charge your Clutchette Power, simply plug the attached Clutchette Power USB cable labeled "in" into a USB port / wall adapter or into a computer.

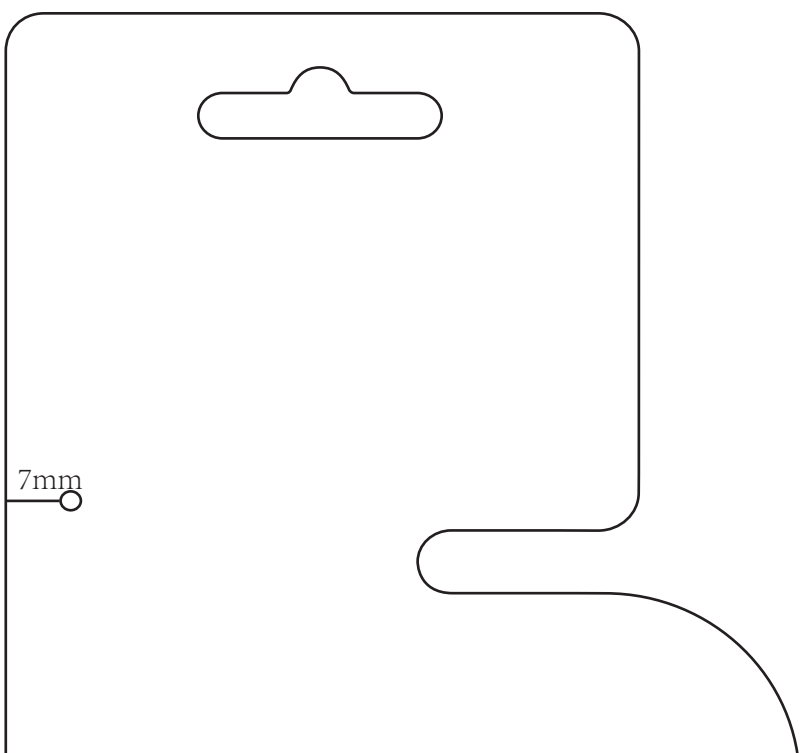

If you want to see how much charge your Clutchette Power has in it, press the button on the top of the power unit and the 3 small lights will tell you how much charge your Clutchette Power has.

●○○ 0% - 33%
 ●●○ 34% - 67%
 ●●● 68% - 100%

Voila! It's that easy!

**CHIC BUDS CLUTCHETTE POWER
WARRANTY AND IMPORTANT PRODUCT INFORMATION**

WARNING: BEFORE USING THIS PRODUCT, PLEASE REVIEW THE FOLLOWING IMPORTANT SAFETY, BATTERY, WARRANTY AND REGULATORY INFORMATION. Failure to observe the following warnings may result in harm either to you, the electronic device you are charging or damage to the Clutchette Power device ("Product") and will void the below warranty on the Product. Carefully read through this entire document before using the Product.

Warnings -- Intended Use
 The Product is meant for use only in conjunction with the appropriate mobile device. Please consult your device packaging to determine whether this Product is compatible with your particular mobile device. This Product has been designed to charge electronic devices that use a USB cable to charge only.

- The Product is not for medical devices and the output is intended for reference only and should not be used for any medical capacity. FxA LLC ("FxA") accepts no responsibility for errors in output.
- Improper use of this Product may result in harm either to you, the electronic device you are charging or damage to the Product, for which damages you, and not FxA are responsible.

Warnings -- General Use

- Avoid exposing the Product to extreme temperatures (including direct sunlight) and excess moisture and humidity, and ensure that the Product is not exposed to temperatures below thirty-two (32) degrees Fahrenheit or above one hundred fifteen (115) degrees Fahrenheit and handle with great care.
- It is normal for the product to be warm while charging.

Warnings -- Electrical and Battery Safety

- Do not puncture, slash, incinerate, submerge in liquid, short circuit, reverse polarity or otherwise mishandle the battery unit, since it may leak, rupture, explode, emit toxic fumes or cause burns.
- This Product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.
- Never dispose of the replaceable battery unit in the garbage. When replacing and disposing of the replaceable battery unit, observe all applicable regulations regarding disposal of electrical items and batteries. Without limiting the foregoing, the California Electronic Waste Recycling Act requires the recycling of certain electronic items. For additional information, please see <http://www.calrecycle.ca.gov/Electronics/Act2003/>.

Warnings -- General Maintenance and Repairs

- Never open or disassemble the Product. Unauthorized repairs on the Product may result in harm to you, the electronic device you are charging, or permanent damage to the Product and will void the warranty. If the Product requires service, please contact FxA/Chic Buds.
