

Vivint Outdoor Camera™

A window where you want it

Motion-triggered notifications with a live video feed.

Clips of camera history allow you to track activity at your door.

HD video gives you a crisp, clear view.

Infrared LEDs for true night vision.

vivint.SmartHome™

Vivint Outdoor Camera™

Why you want it

-  Keep an eye on hard-to-see places from your SkyControl panel or mobile device.
-  Know when to take action while away from home with motion-triggered app notifications and live outdoor video feed.
-  Relive significant moments of outdoor activity at your convenience with automatically recorded 30-second video clips.
