

## BMI Wi-Fi Scale

Available colors:

Black

White

### Weight

Provides highly accurate weight measurements thanks to patented Position Control™ technology.

### BMI

Learn your Body Mass Index and track its evolution in the Health Mate™ app.

### Daily weather

Plan your outfit and prepare for the day with an on-screen local weather forecast.

### Activity report

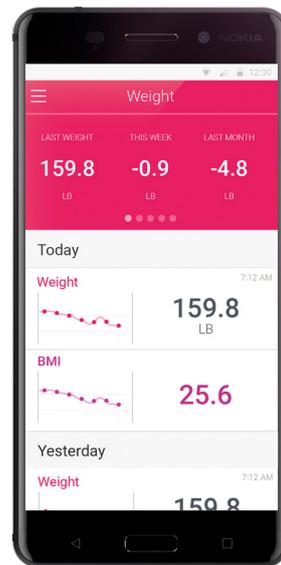

See your step count from the previous day when using a Nokia activity tracker or the Health Mate™ in-app step tracking feature.

### Wireless sync

Automatically uploads measurements via Wi-Fi or Bluetooth to your smartphone or tablet.

### Multi-user

Recognizes and records data for up to 8 different users with independent sync.

**Syncs with  
Nokia Health Mate**

**Compatible with 100+ partner apps**
