

## LED Foldable Desk Lamp with Built-in Wireless Charging Pad

.....

The perfect home office accessory that combines a wireless charging pad and a touch sensitive LED lamp with adjustable light temperatures

## Overview:

Aluratek's LED Foldable Desk Lamp with Built-in Wireless Charging Pad is the perfect home office and accessory. Charge your smartphone wirelessly using the built-in wireless charging pad - right on the lamp! The LED charging lamp comes equipped with four dimmable temperature light modes: 2800k (warm white), 3400k (neutral white), 4500k (cool blue) and 5600k (cool daylight). Simply adjust the brightness and change the color modes to suit your lighting mood.

The LED lights will never flicker and disperse light evenly for the most optimal lighting experience. The touch buttons make for a sleek and simple design, perfect for any home office décor. Features power, light temperature, dim controls and timer.

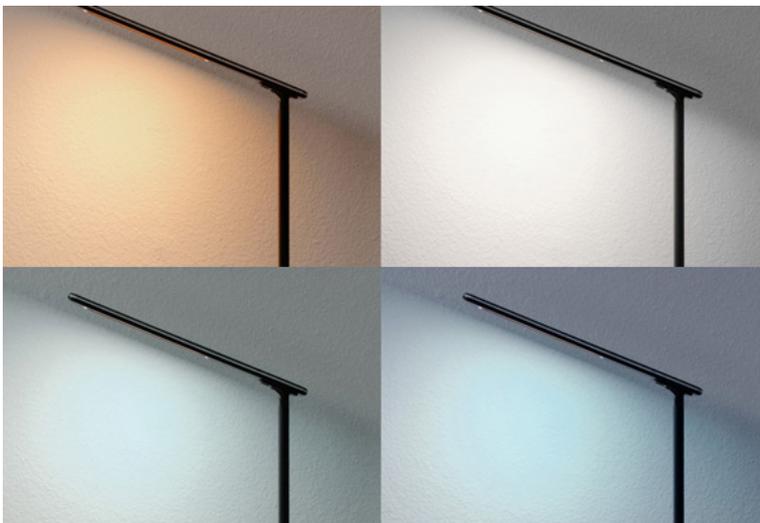

The lamp is foldable for easy portability. With an adjustable design, the head can move up to 145 degrees and the arm up to 90 degrees to adjust for light at all times of day. The lamp also includes a USB port on the back of the lamp so you can charge any USB powered devices at once. You can even charge two devices at the same time.
