### What's in the Box?

1. Dragon
2. Charging Cable
3. Protective Case
4. Cleaning Cloth
5. Manual

### Quick Start Guide

- Fully charge before first use.
- Open arms to power on.
- Slide right temple to adjust tint.
- Store in protective case when not in use.

### Features:

### Style & Fit

- Frame sits level with eyebrows
- Temple arms rest comfortably on ears
- Designed to complement most face shapes
- If experiencing discomfort, contact customer support - never attempt adjustments yourself

### Operation

- **Power**
  - Open arms to power on
  - Close arms to power off
- **Tint Control**
  - Slide along the eclipse logo on the right temple to cycle between four tint levels
  - Range: 63% to 20% transmittance
  - Only adjust while stationary, never while driving or operating machinery

## Charging

1. Connect USB-A cable to power source
2. Align magnetic Pogo Pin with charging tip
3. **Indicators**
  - Red: Charging
  - Green: Fully Charged
  - Flashing Red: Low Battery
4. Disconnect when fully charged
5. Charge within 0°C–35°C (32°F–95°F)
6. Do not charge for more than 12 hours

## Product Specifications

**Frame:** TR-90, titanium

**Lens:** TAC + flexible liquid crystal film

**Battery:** 60 mAh lithium polymer

**Battery Life:** Up to 79 hours of tint adjustments

**Charging Time:** 80% in 30 minutes; full charge in 1 hour
