## **USER'S MANUAL**

# Hairdressing Chair JB10002

# **Before You Start**

Please read all instructions carefully.

Retain instructions for future reference.

Separate and count all parts and hardware.

A Read through each step carefully and follow the proper order.

We recommend that, where possible, all items are assembled near to the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.

Always place the product on a flat, steady and stable surface.

⚠ Keep all small parts and packaging materials for this product away from babies and children as they potentially pose a serious choking hazard.

#### **NOTICE:**

If your package has missing parts or you are having issues with assembly, please call us directly or message us, our customer service team will address any questions or concerns you may have. Keep this manual for future reference.

#### **↑** SAFETY

To reduce risk of injury when assembling & using the chair, follow these precautions:

- Read all of these instructions before assembling and using your salon chair.
- It is helpful to have 2 people assemble and turn the chair upright after assembling.
- Do not over-extend the chair(weight capacity 150 kg), otherwise it may cause the risk of falls or tipping the chair, and its occupant over, resulting in injury.
