

Installation Instructions

ASSEMBLY INSTRUCTIONS:

- * Before assembling, make sure that you lay out and identify all parts listed in the parts list.
- * All bolts should be hand tightened before use. Never use power tools or excessive force during assembly and tightening of bolts.
- * Please place the umbrella on a flat protected surface during assembly.

NOTES FOR USE:

- * The first time to open the umbrella before you need to first reason under the umbrella cloth umbrella bone
- * Please can not untie the knot of the umbrella rope

CARE INSTRUCTIONS:

- * Powder-coated steel is durable and will last for many years of seasonal use. It is recommended to touch up or repair any scratches to the paint surface to prevent rust.
- * If you see rust, carefully sand the area using fine sandpaper and apply a rust-resistant paint that closely matches the frame color.
- * When using an umbrella with a table, always make sure the protective ring is in the umbrella hole and the umbrella is secured using a sturdy umbrella base.
- * Never use any umbrella at a table during windy conditions.
