ATTACHING YOUR SCREEN PROTECTOR

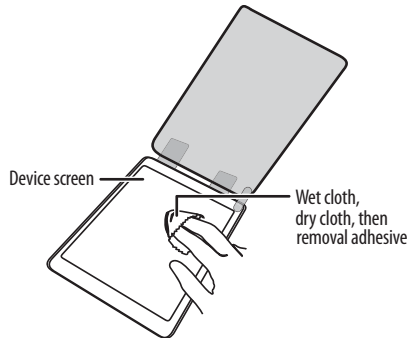

1 Align the screen protector with your device's screen. Make sure the tab is facing down.

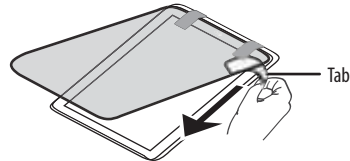

2 Secure the screen protector at the top with the two hinge stickers.

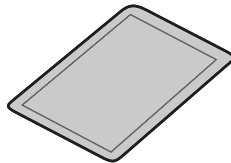

- 3** Lift up your screen protector and clean your device screen with the wet cloth then with the dry cloth (both included). Use the dust removal adhesive (included) to clean any remaining debris. Do not use any solvents.

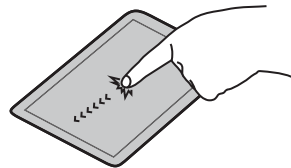

- 4** Slowly pull back the tab to remove the adhesive backing. The screen protector adheres to your device's screen.

- 5** Remove the hinge stickers.

- 6** Push out any bubbles with your finger or the polishing cloth (included). Start from the center of the protector and work your way to the edges.
