Product Features:

1. This nightstand is made from real solid wood, so it feels sturdy and dependable every time you open a drawer—no wobbling, no cheap board look, just a piece that's made to last.
2. The felt-lined top drawer is perfect for keeping your phone, glasses, watch, and jewelry safe from scratches, so everything stays looking new longer.
3. Thanks to smooth ball-bearing metal slides, the drawers open and close quietly and effortlessly—even when they're fully loaded. No sticking, no slamming.
4. Strong English dovetail joints mean the drawers won't fall apart over time, even with daily use. You get a nightstand that keeps up with real life.
5. The clean gray finish and natural wood look fit right in with modern, farmhouse, or cozy bedroom styles, making it simple to upgrade your space without redecorating everything.
