

ER-GB42-K

PRECISION WET/DRY BEARD & HAIR TRIMMER

with ONE ATTACHMENT

UNIQUE SELLING PROPOSITIONS

PRECISION CUTTING SYSTEM

Powerful, ultra-sharp cutting system includes precision-honed, 45° angle blades to provide the perfect grooming edge for everything from quick hair touch-ups to detailed beard styling and more.

19 TRIM SETTINGS

Easily cut, trim, shape and maintain facial hair with a quick-adjust dial that adjusts between 19 settings for exact hair lengths. An angled, snap-on comb attachment is included to raise stubborn, flattened hairs for clean, smooth cutting.

CUT WET OR DRY HAIR

When time is short, this men's groomer delivers a quick, close, convenient dry trim at home or on the go. Its fully immersible design also performs just as efficiently when used cordlessly in the shower or over the sink.

SLEEK, MASCULINE DESIGN

Slim, agile trimmer has a soft, rubberized handle for maximum comfort, total control and clean, detailed results. An easy-open water drain lets warm running water flow freely through the trimmer head for fast, hassle-free cleaning in seconds.
