

Culdcept Revolt

Culdcept Revolt

As the *Culdcept* series celebrates its 20th Anniversary, the addictive card game-meets-board game is back, bigger and better than ever with hundreds of new cards, inventive boards, and exciting multiplayer. Follow Allen, a new recruit for the rebel Free Bat forces as you fight for freedom from the tyranny of Count Kraniss. Build your deck, create new strategies, and dominate the board in *Culdcept Revolt* !

With all the classic elements veterans love yet a gentle learning curve for newcomers, *Culdcept Revolt* is the best *Culdcept* yet.

Addictive Fantasy Gameplay

Jump into a match and lose yourself in a world of monsters, magic, and strategy as you navigate the board and summon monsters on your way to victory in this fast-paced, card-collecting fantasy.

Near Endless Strategy

Collect over 400 unique cards and develop your skills as you test your deck on new boards with new conditions, or return to favorites to hone your strategies.

Play Solo or Online

Discover the story of *Culdcept* with an engaging Story Mode, or practice with your decks in Free Play Mode. Once you've nailed down your strategies, challenge friends and strangers with up to 4 player local or online matches to discover new strategies, climb the leaderboards, and enjoy the excitement of unpredictable and fun matchups.

Customize Your Experience

Make your gaming personal by developing a deck to fit your gameplay style, and choose the perfect avatar and deck book to represent your playstyle and personality.
