Certain features, functionality and product specifications may be network dependent and subject to additional terms, conditions, and charges. All are subject to change without notice. MOTOROLA and the Stylized M Logo are registered trademarks of Motorola Trademark Holdings, LLC. All other trademarks are the property of their respective owners. ©2019 Motorola Mobility LLC. All rights reserved. moto e<sup>6</sup> is designed and manufactured by/for Motorola Mobility, a wholly owned subsidiary of Lenovo.

<sup>1</sup> All battery life claims are approximate and based on the average user tested across a mixed use profile (which includes both usage and standby time) under optimal network conditions. Actual battery performance will vary and depends on many factors including signal strength, network and device settings, temperature, battery condition, and usage patterns.

<sup>2</sup> Performance comparison between moto e6 and each of the moto e5 and moto e5 play devices, with AnTuTu overall benchmark scores of 59594, 38842 and 39430, respectively.

<sup>3</sup> Advanced nanocoating technology creates a water-repellent barrier to help protect against moderate exposure to water such as accidental spills, splashes, or light rain. Not designed to be submerged in water, or exposed to pressurized water, or other liquids. Not waterproof.

<sup>4</sup> Supports up to 256GB microSD card, microSD cards sold separately.
