**Overview**  
Description 25 Word

CORSAIR SF Series SFX power supplies offer all the low-noise performance of an elite 80 PLUS Platinum PSU, ready to power the world's best small form factor PCs.

**Overview**  
Description 50 Word

CORSAIR SF Series SFX power supplies offer all the performance of an elite 80 PLUS Platinum efficient PSU, in a compact small form factor. Fully modular cables, 105°C rated Japanese capacitors and a low-noise 92mm cooling fan make the SF Series the perfect choice to power the world's best small form factor PCs.

**Overview**  
Description 100 Word

CORSAIR SF Series SFX power supplies offer all the performance of an elite 80 PLUS Platinum efficient PSU, in a small form factor ready to power your high-performance PC. Fully modular braided cables allow you to maximize space and improve airflow inside your PC by only using those you need, for a show-ready system that's ready to turn heads. 105°C rated Japanese capacitors and premium electrical components ensure superior performance for years of stable and dependable operation, while a low-noise 92mm cooling fan equipped with a zero-RPM mode, ensures cool and quiet operation. Compact, quiet and built to perform, the SF Series is the perfect choice to power the world's best small form factor PCs.

**Features**

**Style 1**

- Compact SFX form-factor to power the world’s best small form factor PCs.
- 80 PLUS Platinum certified for ultra-high efficiency operation.
- Zero RPM fan mode for near-silent operation at low to medium loads.
- Individually sleeved, fully modular cables make building a great looking PC easy.
- 92mm Cooling fan delivers low-noise operation even at demanding loads.
- 100% Industrial-grade, 105°C rated Japanese capacitors ensure unwavering power and reliability.
- Superb electrical performance for incredibly stable voltages and ultra-low ripple noise.
- SFX-to-ATX bracket allows installation into both small form factor and ATX cases.
- Seven-year warranty for complete peace of mind.

**Style 2**

- **Compact SFX Form-Factor:** Ready to power the world’s best small form factor PCs.
- **80 PLUS Platinum Certified:** For ultra-high efficiency operation.
- **Zero RPM Fan Mode:** For near-silent operation at low to medium loads.
- **Individually Sleeved, Fully Modular Cables:** Make building a great looking PC easy.
- **92mm Cooling Fan:** Delivers low-noise operation even at demanding loads.
- **105°C Rated Japanese capacitors:** Ensure unwavering power and reliability.
- **Superb Electrical Performance:** For incredibly stable voltages and ultra-low ripple noise.
- **SFX-to-ATX Bracket Included:** Allows installation into both small form factor and ATX cases.
- **Seven-year Warranty:** For complete peace of mind.
