

CHEF INSPIRED DISHWASHER

WITH WATERWALL™ TECHNOLOGY AND STAR DISPLAY

CHEFCOLLECTION

WATERWALL™ TECHNOLOGY

A radical breakthrough in dishwasher technology

ZONE BOOSTER

Targeted wash for flexibility

THIRD RACK WITH FLEXTRAY™

Removable silverware tray for easy loading and unloading

The new Samsung Chef Collection was created with innovations that work together to revolutionize how food is stored, prepared and presented. Because professional chefs never compromise, and neither should you.

One (1) Year All Parts and Labor, Five (5) Years Linear Motion Parts, Printed Circuit Board, and Interior Nylon Racking (Labor Charges for in-home service starting from the 2nd year is customer's responsibility). Lifetime Limited Warranty on Stainless Door Liner & Tub for leakage. Samsung will replace your unit with same or current model (that is better or equivalent in functionality) (Labor related to replacement is customer's responsibility).

Linear Motion Parts: Belt operating AC motor [Motor Geared], Belt V-Timing, Rail, Holder Rail [Front Up, Front Low].

WATERWALL™ TECHNOLOGY

A radical breakthrough in dishwasher technology

- A sweeping wall of water delivers remarkable cleaning
- The first-of-its kind Spray Bar moves back and forth, maintaining maximum water pressure to restore even the dirtiest pots and pans

ZONE BOOSTER

Targeted washing for flexibility

- Wash hard-to-clean pots and pans
- Increase time, temperature, and water pressure
- Select to wash right or left zone on the bottom rack
- Half load cycle also available on both top and bottom rack

THIRD RACK WITH FLEXTRAY™

Removable silverware tray for easy loading and unloading

- Silverware lays flat for better cleaning
- Ideal for oversized or hard to fit items

FLEXIBILITY

Ultimate flexibility to clean all your pots, pans and silverware

- Top rack adjusts to accommodate tall and oversized cookware
- Tines on upper and lower racks adjust to fit dishes of all shapes and sizes

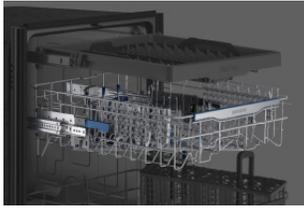

QUIET SOUND

Quietest in its class*

- Special insulation reduces noise to 40dBA

*Based on MSRP.

GLIDING RACK

Slide in and out with ease

- Ballbearing middle rack ideal for easy loading and unloading of the dishwasher

ENERGY STAR®

ENERGY STAR® rated

- Energy-efficient dishwasher only uses 258 kwh per year*

*Visit www.energystar.gov for more information ENERGY STAR® guidelines.

SPEED BOOSTER

Reduces washing time by up to 30 minutes*

- Reduces the cycle time by up to 25%*
- Ideal for everyday family dishes

*Tested with auto mode in Speed Booster option.

ADJUSTABLE RACKING SYSTEM

Flexible design for more space

- Frees up more space on the top rack for tall and oversized items with one touch

15 PLACE SETTINGS

Fit more dishes

- Space for up to 15 place settings

DIGITAL LEAKAGE SENSOR

Worry-free dishwashing

- Can sense a leak of only 1 1/2 ounces
- Shuts itself off before water can escape and cause floor damage
- Protects against water-related damage and provides peace of mind

DESIGN

Pocket design with Star Display

- Stainless steel design enhanced by glowing LED display
- Shows progress and remaining time
