

Over-The-Air Television

Made Wireless

The ClearStream TV™ Over-The-Air Digital Tuner connects through a wireless network to combine live, local broadcast TV with your favorite streaming or mobile device, anywhere in your home.

Pause, rewind, and watch all your favorite network shows using the free ClearStream TV™ companion app and an HDTV antenna with no subscription or monthly fees.

Includes a program guide to preview all your upcoming shows.

Connect Your Antenna to Me and Not the TV

How ClearStream TV Works

- 1 Connect ClearStream TV OTA Digital Tuner to your HDTV antenna and plug in the power adapter.
- 2 Download the FREE companion app to compatible Android or iOS smart phones, tablets, or streaming devices.
- 3 Follow the on-screen instructions to connect the ClearStream TV companion app to your wireless network.
- 4 Watch all your favorite live, network TV shows for FREE!
