VOCOPRO WARRANTY

IF A PROBLEM OCCURES WITH YOUR UNIT WE RECOMMEND THE FOLLOWING:

Call our Toll Free Number To Speak To A Technician To Troubleshoot 1-800-678-5348.

Chances are the problems can be easily resolved without having to send in the unit for repair.

In the event you are still experiencing problems with your unit after troubleshooting, and you'd like to send it in for repair, a Technician will make a determination if your unit is under Warranty based on the date of purchase and serial number.

The Technician will then give you two options:

1. You can send it to one of our Authorized Service Centers for repair.
2. You can send it to the Factory for repair and a Technician at that time will give you a Return Authorization Number and will request the following:
 - Name
 - Address
 - Unit Model and Serial Number
 - Place and Date of Purchase
 - Description of Problem

Once an RA number is issued, you will be responsible for:

- Shipping both ways (it is recommended you ship with insurance, and double box your packages, VocoPro is not responsible for lost or damaged packages).
- Providing us with a copy of the original receipt

***If a unit is sent to the Service Center or Factory as a warranty unit, but is subsequently determined to have out-of-warranty damage according to the Warranty policy, the unit will be considered Out-of-Warranty and Out-of-Warranty charges will apply.**

Your warranty card is not considered your receipt. So please be sure to file all receipts with this portion of the Warranty Card for future warranty work.
