Overview

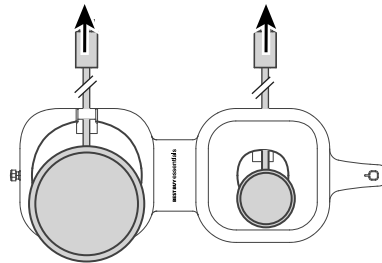

Setting up your cable case

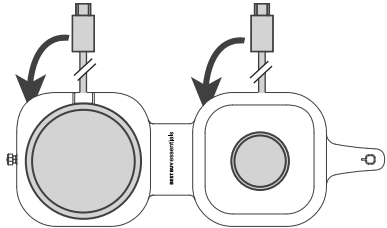

- 1 Open the cable case, then insert the charging cable (not included) through the cable slot.

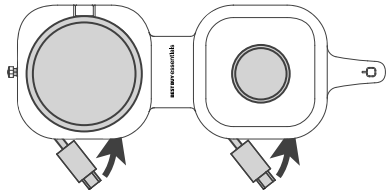

- 2 Pull the cable through until the charger is securely inserted in the cable case. Make sure that the charging side is facing up.

- 3** Wrap the cable around the inside of the silicone case in the side slot. Wrap the cable around as many times as needed.

- 4** Tuck the end of the charging cable into the side slot.

- 5** Fold the case and use the clasp and tab hole to secure the chargers in place.

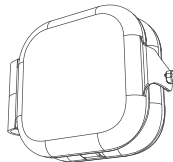

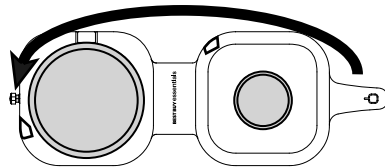

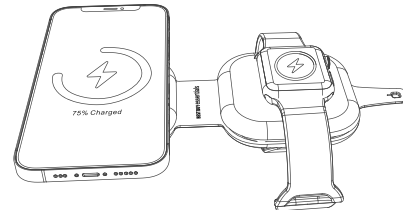

Image shows the case in the closed position.

Using your cable case

- 1** To charge devices, make sure that the cable case is open and chargers are plugged in.
- 2** Place up to two devices, face-up, on the charging surfaces. Devices are not included.
