100-Word Product Description	The VOID PRO RGB Wireless headset provides exceptional comfort, epic audio performance and legendary CORSAIR durability to deliver the ultimate gaming experience. Microfiber mesh fabric and memory foam ear cups let you play for hours while providing airflow and comfort. Enjoy the precision of custom tuned 50mm speaker drivers and an all new noise cancelling microphone for crystal clear communication. Advanced 2.4Ghz wireless technology delivers up to 40ft range, up to 16 hours of battery life and Dolby Headphone 7.1 surround sound. RGB lighting control and CUE software enable virtually unlimited color options and syncing with other CORSAIR RGB devices.
50-Word Product Description	The VOID PRO RGB Wireless headset provides exceptional comfort, epic audio performance and legendary CORSAIR durability to deliver the ultimate gaming experience. Advanced 2.4Ghz wireless technology delivers up to 40ft range plus Dolby Headphone 7.1 surround sound. Personalize your headset with RGB lighting control, offering virtually unlimited color options.
25-Word Product Description	The VOID PRO RGB Wireless headset provides exceptional comfort, epic audio performance and legendary CORSAIR durability to deliver the ultimate gaming experience.
Product Features (Style 1)	• Microfiber mesh fabric and memory foam provide exceptional comfort • Legendary CORSAIR build quality ensures long term durability • Custom tuned 50mm neodymium speaker drivers bring the action to life with wide range and accuracy • Enjoy crystal clear, low latency, wireless audio with up to 40ft range and up to 16 hours of battery life • Optimized unidirectional microphone with LED mute indicator reduces ambient noise for enhanced voice quality • Genuine Dolby® Headphone 7.1 surround delivers immersive multi-channel audio • Discord Certified for crystal clear communication and outstanding sound • Dynamic, customizable, RGB backlighting allows for virtually unlimited color options • CUE software gives you full control over your headset's features through an intuitive and simple to use interface and lets you sync with other Corsair RGB devices
Product Features (Style 2)	• Ultimate Comfort: Breathable microfiber mesh fabric and memory foam provide exceptional comfort while reducing heat buildup and moisture. • Premium Build Quality: Legendary CORSAIR build quality ensures long term durability. • Precision Gaming Audio: Custom tuned 50mm neodymium speaker drivers bring the action to life with wide range and accuracy.

	• Superior Wireless Performance: Low latency, 2.4Ghz wireless audio with improved range up to 40 ft and up to 16 hours of battery life. Upgraded antenna design enhances coverage and improves performance even in the most demanding conditions. • Crystal Clear Microphone: All new unidirectional noise cancelling microphone with LED mute indicator reduces ambient noise for enhanced voice quality. • Epic Surround Sound: Genuine Dolby® Headphone 7.1 surround delivers immersive multi-channel positional audio that puts you in the middle of the action. • Discord Certified: Play with the confidence that your microphone and audio drivers have been tested and evaluated for crystal clear communication and outstanding sound. • RGB lighting: Express yourself with virtually unlimited color options. • CUE Control: CUE software gives you full control over your headset’s features through an intuitive and simple to use interface and lets you sync with other Corsair RGB devices.
