

**CONAIRMAN®**  
**METALCRAFT HIGH-**  
**PERFORMANCE METAL CLIPPER**  
**HC6000**

Clip and trim with the power and precision of a pro barber.

For professional-style cuts at home, use the ConairMAN® MetalCraft High-Performance Clipper. Designed with a sleek metal handle and Japanese stainless-steel blades for precise cuts, this must-have men's grooming tool gets the job done right. Powered by a high-torque, professional DC motor and equipped with a 6-foot cord that gives you room to maneuver, it includes 8 guide comb attachments that let you customize your cut. Respect the ritual with pro-barber performance and at-home convenience.
