VoiceGift® Tag

INSTRUCTIONS

Make any gift or moment the sweetest sounding. There's nothing you can't add a message, a song or some sound to with the VoiceGift Tag. Record and re-record up to 60 seconds of speaking, singing or stories. Record one or a series, even tease out a big reveal. Then make it more personal by writing or decorating. Use the decorative cord to tie it to gifts, doors and handles, the Christmas Tree, or in the mail as a letter with more than just words. Wherever you can hang it or send it, you can brighten up a day and make an extra special moment.

INCLUDES:

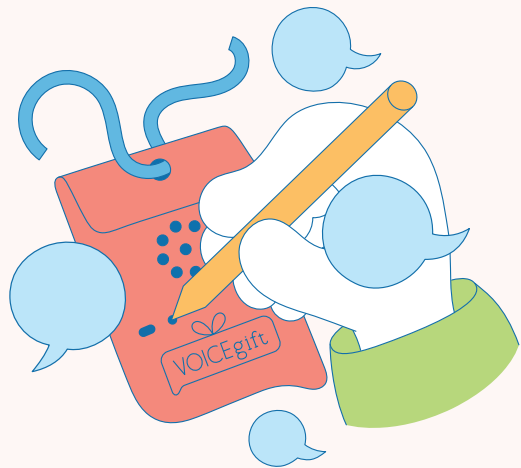

- 3 - L1131F batteries

1 Activate

To activate the tag, pull and remove the battery-saver tab.

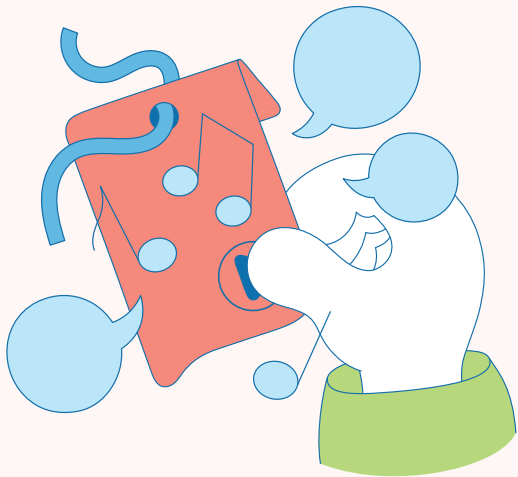

2 Record

To record, use a pen to press and hold the recessed Record button. Recording begins when you hear the beep. Speak or sing in the direction of the microphone, or record music from a speaker. Release when you're finished recording. For additional messages, press and hold the Record button again. You can record as many messages as you like, up to 60 seconds.

3 Preview & Play

To listen back, turn the tag to the front and press the Play Button. Press it again to hear any other messages you have recorded. If you're happy, you're done! Remember: you can always record again at any time.* To adjust the recording quality, try talking louder/softer or holding the tag closer/further away from your mouth or speaker.

*When you record a new message, it will automatically delete all prior messages and start a new recording session.

4 Decorate It

Once you've added some audio, now it's time for some art. The tag is left blank for you to write a message, a greeting, a picture, a painting or just **TO:** and **FROM:** Feel free to write, doodle, draw, paint, fingerprint, stamp and be-dazzle. Make it personal and then make it play.

5 Hang It, Stick It, Send It.

The tag comes with decorative cord to hang it from a vase, a bottle or a gift bag and with double-sided foam tape to attach to any package. Long after the flowers have wilted and the chocolates have been eaten, your tag will preserve the emotions of the moment and express the love behind the gift.
