Cuisinart® Easy Clean Slow Juicer

Crafting a wide range of fresh, healthy, homemade juice beverages is easy with the Cuisinart Easy Clean Slow Juicer. Engineered to powerfully press and crush fruits and vegetables for maximum juice extraction, this kitchen essential is a must for wellness-minded home chefs. The masticating auger produces less heat to retain the full flavor and nutrients of food. The auger ensures every bit of juice is extracted, while pulp is ejected into its own pitcher. Add variety and quickly yet thoroughly extract the essence of nuts, wheat grasses, sprouts, and more. This ultra-versatile unit lets you create an endless array of nutritious and delicious beverage options, from pressed juices to alternative milks to refreshing tonics and spritzers. The mesh-free filter is easily cleaned under the tap, and the powerful motor operates with quiet efficiency.
