Hestan is part of the Meyer culinary family. Meyer Corporation is the largest cookware supplier in the U.S. and the second largest cookware manufacturer operation in the world. Through over 125 branded and private label cookware lines, Meyer has led the industry with quality and innovation - including the first dishwasher-safe hard-anodized nonstick cookware.

Everyone at Meyer takes personal pride in creating the highest quality culinary products possible. The culinary world is the heart of our company culture. CEO Stanley Cheng created Hestan Vineyard in Napa Valley to pursue his passion for perfection in wine - thus a worthy namesake for Meyer's premier commercial kitchen line.

“EXECUTION SHOULD ALWAYS EXCEED EXPECTATIONS.”

Grilling is a serious culinary endeavor. Brines. Marinades. Precision. Heat. Hestan delivers the consistent control vital to perfecting everything from shrimp skewers to leg of lamb. It’s American-made durability that weathers year-round use.

BETTER THAN ANY STEAKHOUSE

A COARSER SALT RUB COULD MAKE IT JUICIER, THOUGH.

Introducing Hestan Outdoor, for those who have an obsession with perfection. We tinkered, tested and tweaked until we came up with the most powerful and reliable grill available. 25,000 BTU burners deliver the perfect sear. Ceramic radiant briquettes minimize flare-ups. We laser cut our grates in-house for heavy-duty reliability. And the built-in rotisserie really works (really well). And since we're perfectionist, we build each and every grill from scratch at Hestan Headquarters in Anaheim, California. We wouldn't entrust our recipe to anyone else.

This excludes surface corrosion, scratches, and discoloration which may occur during normal use and is limited to replacement of the defective part(s), with the Purchaser paying all other costs, including labor, shipping and handling, as applicable.
3. The Product’s spit rod, briquette trays, manifolds, gas valves and sealed burner assemblies (where applicable) are warranted to be free from defects in material and workmanship, under normal noncommercial use and service, for a period of five (5) years from the original date of purchase.
