## Gas Cooktop 36", 4 burners with griddle (LPG)

### Professional

This Fisher & Paykel Professional 36" Gas Cooktop allows you flexibility with four burners and a griddle.

### Stainless Steel

## Dimensions

Depth	28"
Height	8 5/16"
Width	35 7/8"

## Features & Benefits

### Perfect heat

Sealed Dual Flow Burners™ deliver cooktop power up to 23,500 BTU (NG models) for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.

### Precise control

From the highest to the lowest temperatures you get total control with halo-illuminated cooktop dials. A precise full surface simmer is delivered across all burners.

### Easy cleaning

These cooktops have sealed burners and a single sheet cooking surface which, combined with a commercial-style stainless steel finish and dishwasher-safe grates, allow easy cleaning.

### Information at a glance

LED halo control dials provide information at a glance and assist in alerting you if any burners are accidentally left on.

### Cooking flexibility

The continuous surface grates are designed for pots and pans to move safely across the cooktop. Heavyweight stainless steel griddles can be set to desired temperatures and then maintained evenly across the entire griddle surface.

## Designed to match

Built to last with distinctive, bold styling, this cooktop is designed to match the Fisher & Paykel Professional style family of appliances.

## Specifications
