

Virtual reality at your fingertips.

DELL VISOR CONTROLLERS

SHAPE YOUR OWN WORLD

- **Turn your world inside out:** Inside-out camera sensors located on the Dell Visor track the controllers. This eliminates the need for external cameras or markers for immersive experiences that can be set up anywhere.
- **Go deeper into the game:** Your controller features six degrees of freedom for more agile movements during gameplay. From forward, backwards, up and down, left and right, every experience becomes more real.
- **Feel the difference:** Sink deeper into every virtual experience with Heptic feedback that vibrates and reacts to each electrifying moment.

MASTER YOUR DOMAIN

- **Bend VR to your will:** Use the thumb stick, trigger button and touchpad to discover greater control and the freedom to explore.
- **Your command center:** Quickly access menus and enjoy fluid movements with the home and menu buttons.

RELIABLE SUPPORT AND SECURITY

Dell's dependable 1-year Limited Hardware Warranty² helps make the Dell Visor an ideal choice for your mixed reality experiences.

Windows Mixed Reality¹

Works with the Dell Visor to deliver a truly immersive mixed reality/virtual reality experience.

Seamless control

Dell Visor Controllers allow for smooth movement in VR and Heptic feedback for a more immersive experience.
