

POUR OVER COFFEE KIT

50015

brim
since 1961

LARGE CAPACITY KIT

- Everything you need to achieve a perfect cup of coffee in one kit
- Includes a 6 cup glass decanter and SCA scoop for artisanal manual coffee-making
- Makes 6, 5oz servings
- Includes a small pack of paper filters for cleaner and sweeter tasting

CRAFT COFFEE MAKING

- Laser etched Permanent Filter designed to allow for the optimal water to coffee ratio
- Allows essential coffee oils to pass through the filter, creating a more rich and full bodied cup of coffee
- Perfectly saturated grounds create the blooming process for artisanal coffee making
- Perfect ratio for extraction

EASY TO USE

- Silicone cool-touch sleeve for easy handling
- 1 less step, no rinsing the paper filter
- Easy to clean and dishwasher safe
