

PS4™ Pro 4K-TV GAMING

The most advanced PlayStation® system ever. PS4 Pro is designed to take your favorite PS4 games and add to them with more power for graphics, performance, or features for your 4K HDR TV, or 1080p HD TV. Ready to level up?

Gran Turismo Sport, sold separately.

KEY TAKEAWAYS

- **4K-TV Gaming** – PS4 Pro outputs gameplay to your 4K TV. Many games, like Call of Duty®: WWII, Gran Turismo Sport, and more, are optimized to look stunningly sharp and detailed when played on a 4K TV with PS4 Pro.
- **More HD Power** – Turn on *Boost Mode* to give PS4 games access to the increased power of PS4 Pro. For *HD TV Enhanced* games, players can benefit from increased image clarity, faster frame rates, and other enhancements.
- **HDR Technology**– With an HDR TV, compatible PS4 games display an unbelievably vibrant and lifelike range of colors.
- **4K Entertainment** – Stream 4K videos, movies, and shows to your PS4 Pro.*

*4K Entertainment requires access to a 4K-compatible content streaming service, a robust internet connection, and a compatible 4K display.

Vertical stand sold separately.
