WHAT IS THE E618?

Explore the World™ App

Automatically adjusts to your speed as you move through virtual courses, exotic locales, and stunning trails from around the globe.*

Stride Length

22" dual stride rails effectively distribute the load of each stride to increase balance, stability and smoothness of the ride.

Integrated Controls

Multi-position handlebars with integrated incline and resistance controls make it easier to adjust the level of intensity during your workout.

Suspension Adjust™ Performance Cushioning System

Tailors the angle of the footplate from 0-10 degrees offering customized heel support while engaging different muscle groups.

*3 free courses. Unlock more with Explore the World™ app subscription.
