

New Product Announcement

New Ice Fishing Bundles and Kits

With 3 new ice fishing bundles and 2 new ice fishing kits, the ice fishing lineup from Garmin now covers the spectrum of users — from the ice fisherman just starting out to the seasoned pro. New ice fishing bundle options include either a 6” or 7” display, ice fishing-specific CHIRP transducers and game-changing Panoptix™ sonar technology. The new ice fishing kits are perfect for taking compatible ECHOMAP™ Plus, echoMAP™ CHIRP and STRIKER™ Plus models from the boat to the ice. All bundles and kits come with the accessories needed for a successful day on the ice and a glove-friendly bag to carry it all.
