

Next-level power. Now HyperFast.

Pro-grade Camera

High-powered pro lenses in your pocket mean beautiful portraits, stunning landscapes and crisp super-closeups in any light. Plus S Pen allows you to switch lenses and capture remotely.

Super Fast Charge

Fell asleep watching a season finale on your phone? Running out the door last minute? You're covered with Super Fast Charge for hours of juice from minutes of charge time.¹

Cinematic Infinity Display

Galaxy Note10+'s immersive Infinity Display has nearly invisible bezels that create a seamless experience between thought and action, viewing and creating.

Power of S Pen

S Pen is the closest thing to a magic wand for your smartphone. Take perfect pictures with a remote one-touch lens-switch and shutter button, control remotely with air gestures, seamlessly export handwriting to text in Microsoft Word, twirl to scrub or trim video, take notes without unlocking your phone, and crush a new personal best in games with a stylus that gives you more power than ever before.

Intelligent Battery

Galaxy Note10+'s intelligent algorithm tailors battery power based on how you live and work, so you can think less about saving battery life and more about actual life.

HyperFast 5G

Search at the speed of thought, and share and download everything HyperFast without WiFi on 5G.²
