Ergonomic Under Desk Keyboard Tray

HAVE THE FREEDOM TO POSITION YOUR KEYBOARD
IN ANY WAY YOU'D LIKE!

Create a workspace that adapts to you with this ergonomic under desk keyboard tray. Positioning your keyboard in the right location can help reduce strain injuries including carpal tunnel and arthritis. Adjust the tilt, height and swivel to create a more comfortable and ergonomic workspace. Slide in and out to adjust the position of the tray and to maximize space. This keyboard tray comes equipped with a gel wrist rest pad to reduce wrist soreness while typing and using the mouse, as well as to ensure correct typing angle.

- Create more space on your desktop.
- Improve your ergonomics.
- Full motion - tilt, slide, swivel.

HEALTHY LIFESTYLE. Turn your workspace into an ergonomic environment.

DESIGN. Maximize your space's appeal and functionality.

EASY INSTALLATION. Simple assembly with all necessary hardware included.
