Gift your grad with greatness.

They did it! They graduated from high school, college or grad school; earned their GED, or maybe just passed 7th grade. Whatever the achievement, they did it, and it's time to reward them. What better way to say, "Way to go!" than with a gift that says welcome to your future; laptops, headphones, small appliances, furniture, all the things that will make their future brighter and more fun.

For many grads, this is just the start of their education. Whether heading into high school, college or grad school, finding the right tech to help them with their school-work, or to make these experiences more fun is what we're all about.

Laptops and tablets are great gifts for any student. Whether you narrow your search with the help of a Home Expert, or use our [online laptop finder](#), we'll ensure you find the right computer that is certain to be ideal for today, tomorrow and well into the future.

We also have great gear for [decking out their dorm room or first apartment](#); furniture, small appliances, fitness equipment, speakers, TVs and so much more. School isn't just about getting good grades, it's about having fun—help make their dorm or apartment the place to be.

Happier birthdays.

Birthdays, we each get one per year, and for many of us, we want that day to be extra special. Parties, cake, they all culminate to the opening of gifts. What do you get that special someone? While everyone is different, Best Buy has you covered with gifts for different age groups and price ranges; kids, teens, or older folks, plus gifts starting under \$25 and ramping up to however much you'd like to spend on an entire room upgrade.

Not only can we help you find the right gift, if you want to go really big this year, we can help you there as well. With a consultation, we can help you upgrade your appliances to a chef's-style kitchen, or turn that spare bedroom into a home theater. Big, small, even tiny, we got the toys, the tech, and the whole room or home solution to turn that someone special's birthday into one they'll never forget.

Merrier holidays.

For Santa, it's the big show... the December holiday season. And while the jolly old man is busy building toys, we're busy providing you with that extra special something for that extra special someone. If it truly is better to give than receive, than you better give greatly.

Each year there's a few things that seem to hit everyone's wish list, it's the "gift of the year" and inevitably it's some kind of tech, and oh yes, we're sure to have it. So, look no further to know what's hot, what's next, and what's sure to make this holiday one to remember. A chat with a Home Expert is a great way to narrow your search, or check out the Best Buy Gift Guide.

We've got those special gifts, plus the unique gifts they might not have considered, from the latest LEGO creation, to electric bikes, turntables, headphones, smart products, phones, laptops or the latest video game system. With our know-how and assortment, we'll take the time and stress out of holiday shopping.
