CS810RGT

Less frizz. More shine. Totally smooth!

- Rose Gold Ceramic: Less frizz for silky smooth, high-shine results
- Extra-long plates for quick styling
- Floating Plate for better contact with hair
- Advanced Heat Technology: True ceramic heater ensures high, even heat for long-lasting styles
- 455°F highest heat
- 30 heat settings

- 15-second heat-up
- Straighten or flip
- Auto off
- 6-foot Professional Swivel Line Cord

This 1-inch Rose Gold Ceramic Flat Iron is brilliant inside and out. 30 heat settings make it the perfect flat iron for every hair type, and advanced ceramic heat technology evenly heats plates up to 455°F – with no hot spots. Extra-long, extra-wide plates and a floating plate provide more contact with hair to leave it smooth, straight and shiny in record time!
