

WIRELESS AHD CAMERA AND 7" MONITOR KIT

- 120° VIEWING ANGLE HD CAMERA
- 7" LED MONITOR

PMC-WAHD

Everything you need to install an AHD monitor and camera into your vehicle. Since there are no wires to run through the vehicle, you can place the wireless AHD camera into a location that you have limited visibility. The 7" HD LED Monitor will clearly display footage from your wireless safety camera to help eliminate blind spots.

This Wireless AHD Camera and Monitor Kit is perfect for vehicles such as trucks, buses, RVs and more! Adding safety cameras can improve driver awareness, creating a safer and more informed driving experience.

Monitor Features:

- ▶ 7" HD LED Display
- ▶ 720p Resolution
- ▶ 2.4 GHz Wireless Video Signal Input
