Dual Monitor Stand

Raising your monitors not only increases functionality but increases the amount of space available on your desk. Tilt, swivel and lift your display with the height adjustable pole and articulating arms.

Universally compatible with all monitors on the market with VESA 75 and 100 bolting patterns.

- Made with high grade steel and aluminum
- Fits most monitors 13" to 27"
- Supports up to 22 lbs per monitor
- Removable VESA plates allow for convenient installation

A BETTER VIEWING EXPERIENCE. Tilt, swivel, rotate, raise or lower.

EASY INSTALLATION. All hardware included.

PREMIUM QUALITY. Built to last.
