The Galaxy Tab® S2: Better business tools build better businesses

SAMSUNG Galaxy Tab S2

Presenting two impactful new ways of doing business

The new Samsung Galaxy Tab® S2 8" and 9.7" tablets are the perfect business tools to engage customers and improve productivity while protecting company data. They display content and images in sharp, vivid detail on the Super AMOLED® screen for clear and compelling presentations. Users can get more done in less time, thanks to the ultra-fast 1.8GHz 64-bit Octa-core processors. Each Samsung Galaxy Tab® S2 comes preloaded with the full suite of Microsoft Office for Android™ applications,** and is also compatible with Office 365 so users can be more productive anywhere/anytime.* At the office, the Samsung Galaxy Tab® S2 can connect to a wide range of accessories. Security is provided via the Samsung KNOX™ defense-grade security platform that supplies full MDM support and integrates easily and seamlessly with your company's existing network, to protect its sensitive data and meet its diverse business needs.* The Samsung Galaxy Tab® S2 is the perfect tool for business.

Smartly designed

- Showcase your business in sharp, vivid detail with the Super AMOLED® display.
- Travels well, the premium 8" and 9.7" Wi-Fi and LTE tablets are ultra thin and light.
- Increase productivity and efficiency with the performance of an ultra-fast 1.8GHz 64-bit Octa-core processor.

Maximize productivity

- Unlock the full potential of your tablet both on-the-go and in the office. Full Microsoft Office for Android™ applications and Office 365 compatibility will keep you productive.
- Work on two applications side-by-side using its multi window functionality.
- Achieve full mobile integration and seamless sharing of information between the Tab S2 and smartphones with Side Sync.

Enterprise ready

- Protect sensitive data with the Samsung KNOX™ defense-grade security platform.
- Seamlessly integrate the Tab S2 into your existing infrastructure with curated solutions and services to meet specific vertical market needs.
- Build solutions tailored to your business with Samsung's customization program.

*Full Microsoft Office 365 suite and KNOX available for additional licensing fee

**Includes 100 GB of OneDrive cloud storage for two years
