LIGHTING  
REIMAGINED.

## MINI E26

—

LIFX Mini is the perfect “everywhere” Wi-Fi enabled LED light with millions of beautiful colors and whites—**no hub required.**

LIFX Mini works with leading voice and smart home platforms and is Energy Star compliant.

### FEATURES

**Easy set up.** LIFX screws in like any traditional light bulb. Simply download the app, connect to Wi-Fi and you're ready to go.

**Built in Wi-Fi & LIFX Cloud.** Offers full lighting control via Wi-Fi with our LIFX iOS, Android and Windows 10 apps. Access your bulbs anywhere, anytime via the cloud.

**Adjustable and dimmable.** Connected lighting for your space, time of day, and mood. Choose from 16 million colors and a full range of warm to cool white with flexibility to dim. Experience how subtle adjustments in tone and brightness can enhance the comfort of any room.

**Intuitive Control.** Control lights individually or as groups, set timers, pick from beautiful themes or create your own custom scenes.
