Cuisinart® 5-Cup Coffeemaker with Stainless Steel Carafe

The 5-Cup Stainless Steel Coffeemaker by Cuisinart® offers a stylish small-space solution with full-size functionality. Simple settings make it easy to brew favorite coffee blends with all the rich, delicious flavor and none of the fuss! Simply add water to the removable reservoir, grounds to the nylon filter, and turn it on for fresh brew made in minutes. The Brew Pause® feature is perfect for sneaking a quick cup mid-brew cycle and the 30-minute warming plate keeps the carafe warm, so coffee remains as hot and fresh tasting as the first cup. The classic, compact design means space is conserved for other kitchen essentials and coffee nooks where surface and storage space are at a premium. Whether brewing for two or just for you, Cuisinart has the 5-Cup Stainless Steel Coffeemaker for you.

- Removable water reservoir makes it easy to add water for a fast, fresh pot
- Small, compact design takes up less counter space
- Easy On/Off switch

- Brew Pause™ feature allows you to pour a cup of coffee before brewing has finished
- Includes a Charcoal Water Filter and permanent-style nylon coffee filter
- Limited 3-year warranty
