Galaxy Tab S2

Explore new realms of productivity.

The Samsung Galaxy Tab S2 gives your team the portable tools they need to succeed. With a full Microsoft® Office 365™* suite, your employees can explore more ways of being productive anywhere. The Multimedia Dock pairs with other key accessories to create an on-the-go office complete with an external display and LAN connectivity. Exclusive Multi Window** multitasking lets employees switch smoothly from one task to the next, such as entering data while reading charts. And the ultrafast octa-core processor gives your team the industry-leading processing power to do more.

Defend your intellectual property.

Only Samsung Galaxy devices are protected right out of the box with Samsung KNOX* security. Relish the peace of mind that comes with exclusive, multilayered security features that protect sensitive company data. Fingerprint scanning† keeps your valuable information in the right hands, while device partitioning separates work and personal data.

Discover brilliant experiences.

The Samsung Galaxy Tab S2 helps your team bring customer experiences to life with the stunning Super AMOLED display and ultralight, thin design. And the Ultra Power Saving Mode†† means employees can depend on their device when they need it most.

Imagine easy integration.

Keep the work flowing with seamless integration. The Samsung Galaxy Tab S2 works with your existing or desired MDM solution so your team can use the enterprise applications they depend on.

Innovate Your Industry.

The Samsung Galaxy Tab S2 creates new possibilities in finance, healthcare and retail industries. Conduct financial sales confidently with next-level speed and security. Treat healthcare patients on- and off-site with flexible, mobile solutions. And with its high-end design and clear display, the Samsung Galaxy Tab S2 engages consumers and enhances the retail experience.
