

Who ever said that a phone mount needs to be bulky? With the new Bracketron AutoGrip Cup Holder Mount, you get the convenience of a large, robust mount – in a form factor that collapses down into a sleek, low profile design when not in use.

FEATURES

- Features low-profile, sleek automatic design
- Fits phones up to 3.75" wide
- Easy one-handed operation – no buttons to push or clamps to open
- Adjustable holder for custom viewing angles
- Adjustable base fits most standard cupholders

One (1) year limited warranty
