

WAF-F30

Cuisinart® Round Flip Belgian Waffle Maker

Fast, flavorful and fluffy--every Belgian waffle baked in Cuisinart's Flip Belgian Waffle Maker is cooked to perfection in minutes. Designed with a rotary feature that flips 180° to evenly cook waffles inside and out, this kitchen essential bakes according to preference with a turn of the dial, from light to dark. Nonstick plates easily release a flawlessly formed Belgian waffle with deep pockets perfect for filling with fruit, meat, jams, whipped cream, and other toppings. A ready indicator light advises when the waffle is ready and prevents over- and under-cooking. Durable, brushed stainless steel housing complements any kitchen and wipes clean in seconds.

- Bakes a restaurant quality, 1-inch thick Belgian waffle
- Browning control knob adjusts to 5-settings for custom cooking from light to dark
- Easy-to-Handle rotary feature for even baking on top and bottom
- 1000 watts of power
- Green indicator light illuminates when unit is Ready-to-Cook and when cook time is done
- Nonstick coating for effortless food release and cleaning
- Brushed stainless steel housing
- Stainless steel drip tray is dishwasher-safe
- Cup included for the perfect batter amount every time
