

**element** <sup>SA</sup>  
AIR + STEAM HUMIDIFIER

### About the **element** <sup>SA</sup>

With the option of hot, warm and cool steam, the Element SA is changing the way that you look at steam humidifiers. Vornado's "cool steam" changes the nature of steam humidification — using air to cool and distribute the steam vapor at room temperature. Infusing aromatherapy into the steam through the removable essential oils cup allows you to tailor the experience even further. Its safety-centric design offers stress-free operation with locking controls, a covered heat element and auto shut-off for when the tank runs low on water. It creates humidity from water that has been boiled, effectively treated for water-borne bacteria, pathogens and algae. The tank stores the water at room temperature and very little water is boiled at one time, while still bellowing immense amounts of humidity and fresh scents into the air. Easy to clean, easy to refill, you've never experienced a humidifier like this before.

### Featuring

-  **WHOLE ROOM STEAM HUMIDIFICATION**
-  **0.75 GAL. TANK CAPACITY, 4 GAL. OUTPUT (OVER 24 HOURS)**
-  **30-70% HUMIDITY OUTPUT**
-  **AUTOMATIC HUMIDITY CONTROL**
-  **ELECTRONIC HUMIDISTAT**
-  **INTEGRATED CARRY HANDLE**
-  **COVERAGE UP TO 1,000 SQ. FT.**
-  **3-AIR ASSISTED STEAM TEMPERATURE SETTINGS (COOL/WARM/HOT)**
-  **5-YEAR SATISFACTION GUARANTEE**
-  **BUILT-IN AROMATHERAPY**
