

From the manufacturer

Bounce (and learn) to the beat

With the DJ Bouncin' Beats™ musical toy, little dancers can bop along to the beat while their dance partner lights up, bounces, and plays 75+ songs, sounds and phrases to keep the party grooving along.

Features

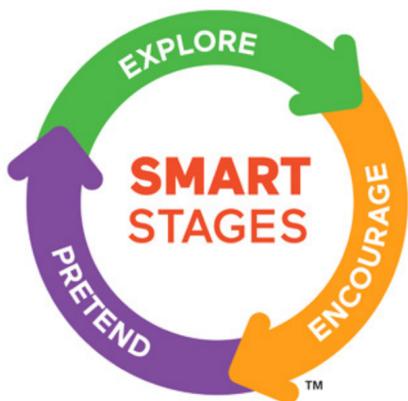

Bright lights, fun songs, and exciting bouncing action encourage little dancers to bop along

Multi-color light-up face and soft ears for exciting sensory play

Motorized spring action helps DJ keep the bouncin' fun going, going, going

Switch up the learning as they grow

Level 1 – Explore (9M+): As baby sits to play, fun songs and phrases introduce the alphabet, colors, and numbers.

Level 2 – Encourage (12M+): Boppin' alphabet and counting songs, plus playful phrases get your tot excited to bounce with their DJ friend.

Level 3 – Pretend (18M+): With the party in full swing, toddlers can dance and sing along to imaginative songs and phrases.
