Warranty Registration Form

This warranty is for replacement for like-items only and does not cover items out of production or if the company no longer stocks them.

This warranty covers: Hover-1 warrants the Product to be free from defects in materials and workmanship under normal use for 120 days, as sold to the original purchaser, from the date of retail purchase by the original end-user purchaser. A copy of the sales receipt from the date of original purchase of the Product will be required for validity. If a hardware defect arises and a valid claim is received within the warranty period, at its option and to the extent permitted by law, Hover-1 will repair the hardware defect or exchange the product with a product that is new or refurbished, that is substantially equivalent to the original product.

This warranty does not cover: The replacement or repair of the product if it has been subject to physical abuse, improper installation, modification or repair by unauthorized third party.

The warranty does not cover over-charging, or damages due to improperly maintaining the lithium-ion battery installed in unit. This warranty does not cover water damage or any damages caused by liquid/fluid.

The warranty does not cover tires and other parts, which are considered consumables, parts that break easily such as glass or plastic or defects based on normal wear and tear. There is no warranty obligation in the event of marginal differences compared to the target appearance and workmanship provided these have a negligible effect on the product's fitness for use.
