

A faint, light gray line drawing in the background shows a MoHU antenna system. It includes a rectangular antenna unit at the top, connected by a cable to a smaller component, which is then connected to a larger rectangular unit. Below this, there's a curved structure, possibly a mounting bracket or part of a vehicle, and a vertical pole with a base that has several angled supports.

In the TV's setup menu, set the tuner mode to "Antenna" or "Air". Refer to the TV manual for detailed instructions or reach out to the maker of your TV if you no longer have your manual.

En el menú del arreglo de su televisor, ponga el modo de afinador a "antena" o "aire". Consulte el manual de su televisor para instrucciones mas detalladas o comuníquese con el fabricante de su televisor si ya no tiene el manual.

In the TV's setup menu, set TV to "scan" for channels. This can sometimes be listed as auto-program, auto-scan, channel search or channel scan. Consult the TV manual for detailed instructions.

En el menú del arreglo de su televisor, ponga su televisor a "escanear" por canales. Esto puede estar listado como auto-programa, auto-escanear, búsqueda de canal, o escáner de canal. Consulte su manual de su televisor para instrucciones mas detalladas.

MOHU® WARRANTY

Mohu® warrants to the original purchaser of this product that for a period of one (1) year from the date of purchase the product shall be free of defects in materials or workmanship, and will repair or replace, at its sole option, any defective product at no charge. In the event Mohu chooses to replace the product, such replacement product may be a different model than the one originally purchased. This warranty shall not cover any damage arising from improper use of the product, including without limitation damage due to acts of nature (including without limitation weather induced power surges and the like), use of the product in non-residential settings, accident, misuse or improper electrical/signal connections, improper installation, tampering, negligence, or product abuse. This warranty is valid only in the USA and Canada. There are no implied warranties of merchantability or fitness for a particular purpose unless otherwise required by law, and any such implied warranties are limited to the one (1) year term of this warranty.

GARANTÍA DE MOHU®

Mohu® garantiza al comprador original este producto por un período de un (1) año desde la fecha de compra el producto deberá estar libre de defectos en cuanto a materiales y de fabricación, y se reparará o reemplazará a discreción, cualquier producto defectuoso sin ningún costo. En caso que Mohu decida reemplazar el producto este podrá ser reemplazado por un modelo diferente al que compró originalmente.

Esta garantía no cubrirá los daños que surjan de un uso inadecuado del producto, incluidos sin estar limitados a daños ocasionados por la naturaleza (incluyendo, sobrecargas de energía inducidas por el clima y similares), el uso del producto en entornos no residenciales, accidentes, abusos o conexiones inadecuadas tanto eléctricas como de señal, instalación incorrecta, alteración, negligencia o abuso del producto. Esta garantía es válida solo en los EE.UU y Canadá. No existen garantías implícitas de comerciabilidad o conveniencia para un determinado propósito a menos de que estas sean requeridas por la ley, y cualquiera de este tipo de garantías implícitas estará limitada al término de un (1) año.
