

Make life easier with CLCKR. CLCKR transforms your device into a portrait stand for those important FaceTime calls, or social media scrolls. Turn it landscape to watch your favorite movies or use the grip for a secure hold of your device.

CLCKR is a patented universal and multi-functional phone stand and grip enabling a firmer hold, comfy handle and multiple viewing positions. It's ultra strong, softly padded and flexible; preventing you from dropping your phone and tiring your fingers. As well as being *wireless charging compatible, it uses 3M adhesive; making it easy to apply without leaving residue when removed.

*Wireless charging works on majority of cases up to 2mm thickness and with quality wireless chargers.

EXTENDED REACH OVER SCREEN

The CLCKR grip strap allows you to reach over your screen further than other phone grips, so you have full access to your device without straining your thumb.

SLIMMEST GRIP STAND ON THE MARKET

With a thickness of just 4,2 mm, CLCKR fits tightly to your device and makes it easy to store and travel with, unlike other bulky phone kickstands.

STRONGEST REMOVABLE ADHESIVE

CLCKR uses the strongest removable adhesive, unlike many other phone grips. The adhesive leaves no residue so it's able to be attached and detached multiple times.

STICKS TO MOST DEVICES

CLCKR sticks to most devices. When applying to a device with a glass backplate use the additional film before placing the Universal. Can be applied directly to a hard-shell case. Will **NOT** stick directly to **iPhone 11 Pro/11 Pro Max, 12 Pro/12 Pro Max, 13/13 Mini/13 Pro/13 Pro Max and iPhone 14/14 Plus/14 Pro/14 Pro Max** without a case.
