

QUICK GUIDE

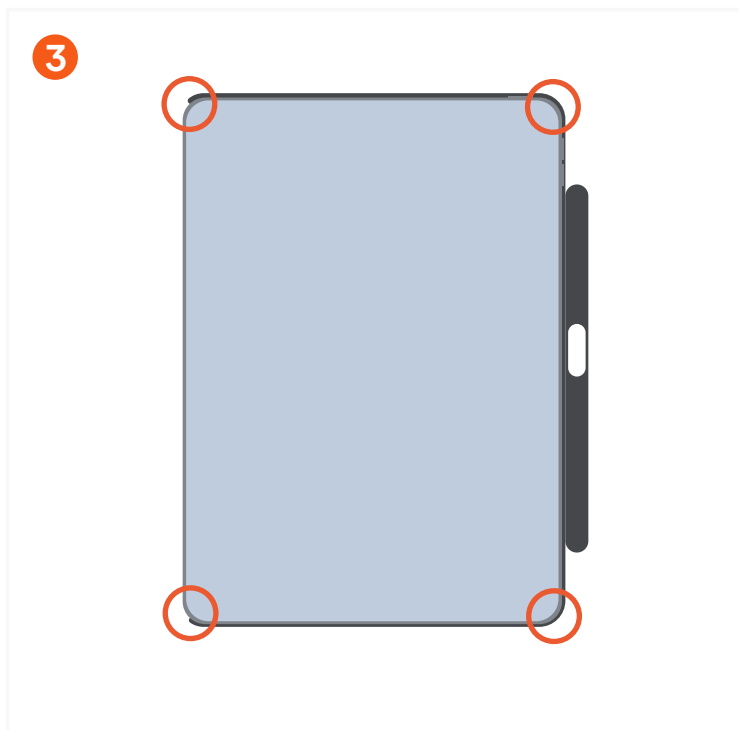

VEGAN-LEATHER MAGNETIC CASE FOR IPAD PRO

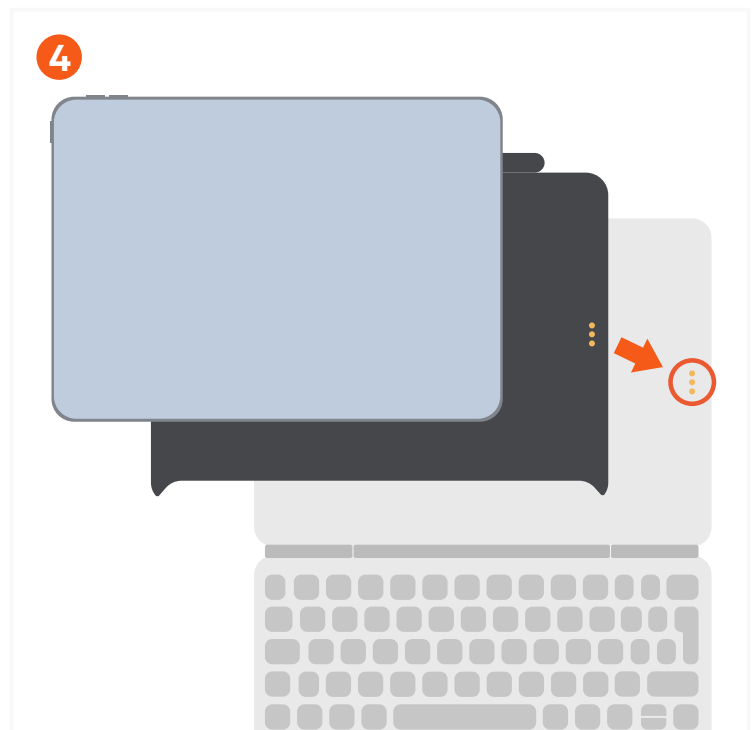

Before installing the case, please properly clean your iPad.

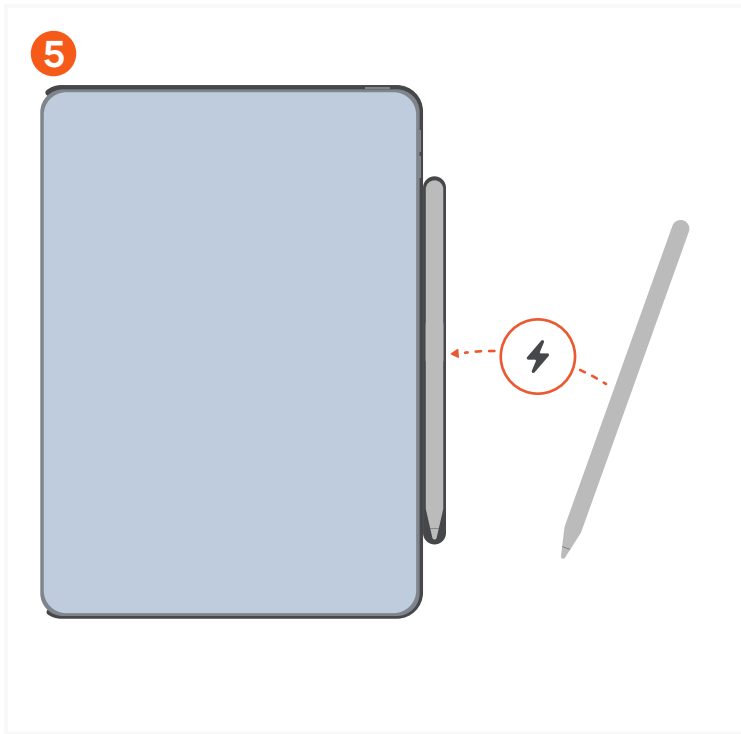

Align the camera cutout with your iPad cameras and snap into place.

Ensure that all 4 clips snap into place from top to bottom.

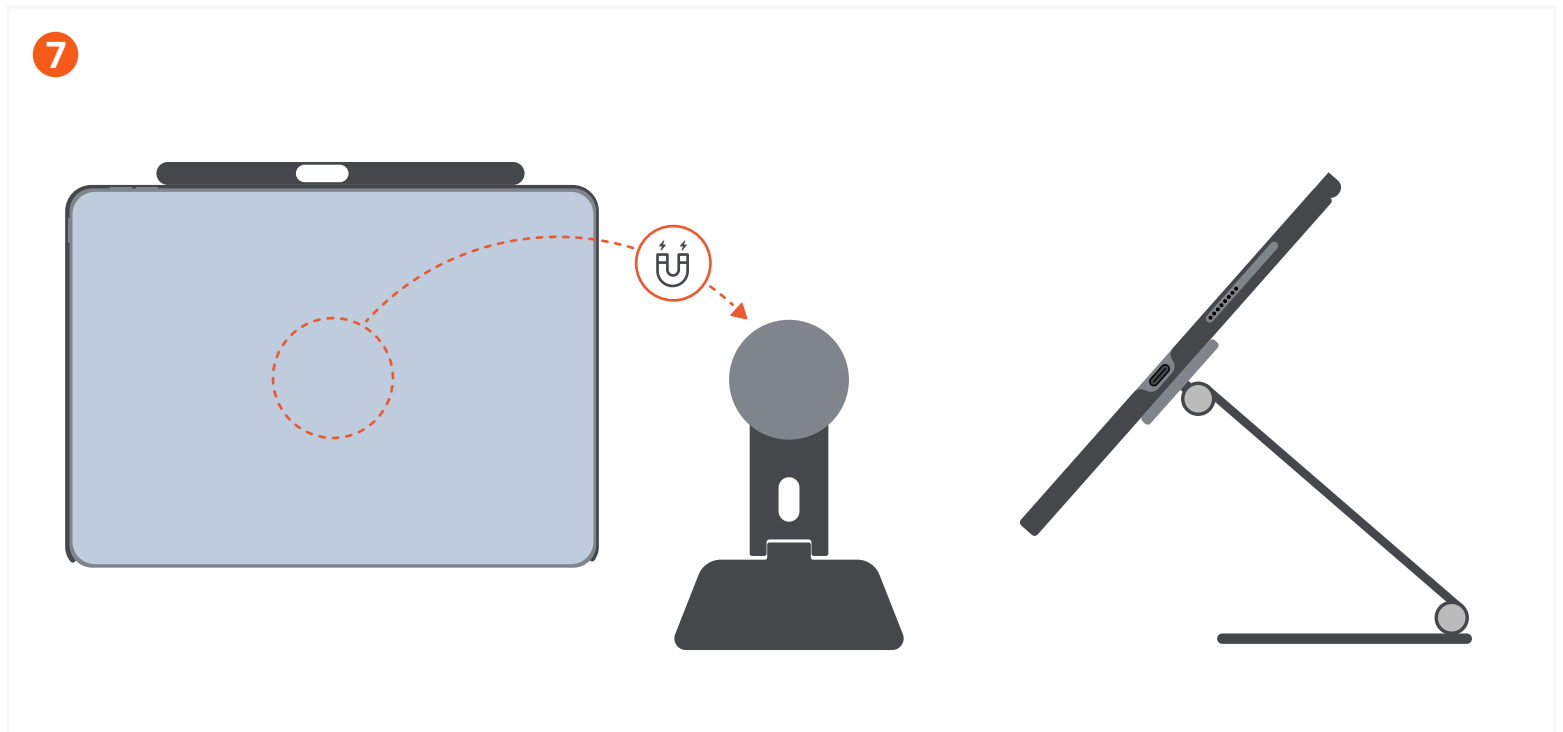

The case is smart connector compatible.
Compatible with Apple Folio and Magic Keyboard Folio

Snap pencil into place.
Compatible with Apple Pencil (2nd Generation)

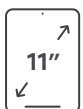

A cut-out on the back of the pencil holder provides instant access to the pencil.

Metal ring located on the rear of the case can be used with compatible magnetic stands.
